

Christmas 2018

Dear Members of Clan Egan,

It seems a very short time ago since I was putting my greetings to you for last Christmas. Time flies and there is nothing we can do about it. This year I again wish you all a very happy Christmas and a peaceful, prosperous and healthy New Year.

As we sit around the Christmas table I hope that all will be thoughtful enough to think of those who find themselves homeless, friendless, displaced or in otherwise poor circumstances,- please do some little thing for even just one of them this Christmas.

During mid-year we were hosted to a wonderful Clan Rally in Canada which had been thoroughly organised by Maureen and Kevin. We visited many places of great interest and enjoyed the company of our Clan members and friends. Egan provided the venue in Eganville and Egan provided the wonderful whiskey,- so we were well set up for a great Clan gathering. (Don't forget the Egan whiskey this Christmas!).

This time next year I should have the details for the 2020 Clan Rally in Ireland. The plan will be based on meeting at the end of June and will be centred on the Irish midlands.

With fondest best wishes,

Michael JS Egan
